Dear Mr. Arndt:

Thank you for your reply in response to my letter of May 5. Enclosed in final form are four copies of Amendment No. 3 to Master Agreement No. 21-436 which provides for a 5-year extension from June 30, 1981 to June 30, 1986 for continuing cooperative chaparral ecology and related ecosystems studies.

Three copies of the amendment have been signed for the Forest Service. Please obtain the acceptance signatures by the County Board of Supervisors and return one fully executed copy to this office. The remainder will be for your records and distribution.

After receipt of the executed amendment, we will prepare a supplemental agreement for carrying out the research beginning July 1, 1981.

We appreciate your continued cooperation.
