Dear Klaus:

I have reviewed your manuscript, "A Homeowner's Guide to Fire and Watershed Management at the Chaparral/Urban Interface." I can find no problems with policy related items or statements. I have asked questions about technical statements on page 5 and page 26.

As far as the PSW Station is concerned, this manuscript is ready for publication and distribution to the public.

I would like to commend you and your staff for the fine job you've done with this extremely important subject.

Sincerely,

CHARLES W. PHILPOT
Assistant Director
