TO: DEPUTY FIRE CHIEF GEORGE DEMOS

FROM: HEAD DEPUTY FORESTER ARTHUR M. ARNDT *AM*

SUBJECT: CONTACT WITH SUPERVISOR'S OFFICE

To my knowledge, the only contact made with Supervisor Dana's office on July 8 was a telephone call by my secretary regarding the press release from the Board concerning the "Homeowner's Guide to Fire and Watershed Management" booklet.

We have been receiving telephone calls in reference to the release and requested a copy so that we could better understand our responsibility in providing the booklet.
